Attention: Dr Jacques Mabit, Takiwasi

Dear Dr Jacques Mabit, I am hereby very happy to announce you that we decided to give to Takiwasi a grant of 9000 USD, for your commitment and impacts with the activities of Takiwasi Center and Laboratory that you manage. We want in particular to praise your long term engagement and outstanding results, for the benefit of the patients of the center and clients of the laboratory. We give you this grant in the category "Nature" as it contributes to a vision of reconciliation of Man with Nature.

We stand at your disposal to see in which other way we could be of help in the development of the Center and the Lab . With our warmest regards.

Tristan LECOMTE
